How To Train Your Dragon Screensaver Alternatives What is alternative, there are 1072 products to choose from. Most used by the users of Windows XP. AlternativeTo is a free service that helps you find better alternatives to the software you love and hate. The site is made by Ola and Markus in Sweden, with a lot of help from our friends and colleagues in Italy, Finland, USA, Colombia, Philippines, France and contributors from all over the world. That's right, all the lists of alternatives are crowd-sourced, and that's what makes the data powerful and relevant. Q: how can we call object method in javascript how can we call the object method in javascript. Here the object reference is 'in'. I need to access the method 'f()' in it. How can I do this? var in = { a : function(){ alert('hello'); }, f : function(){ alert('hello'); } }; in.a(); A: You cannot call a method, since it is not a function. However, you can reference properties on the object and call the method using that property: var in = { a: function(){
