LIVRO DE COREANO EM PORTUGUÊS by raÃssa_ribeiro_37. . eBook-NANUM-COREANO-IntroduÃ§Ã£o-ao-Coreano-Aprendendo-Hangul.pdf. Fernanda Peloso. "Anthology" is a collection of texts on Portuguese art in English, consisting of seven parts. Three of them contain information about architecture, two about painting and graphics, and one about sculpture. For a better understanding of the material, the book is accompanied by a CD with all texts and illustrations in English and Portuguese. (Only the first essay in this collection, Monteverdi Altarpiece, was published in Russian. - Translated by the author.)
