Elden Ring Features Key:

Real-time Multiplayer™ Raise companions, take part in multiple game worlds, and enjoy epic battles in real-time multiplayer!

Diverse and Large Landscape Explore a wide and memorable world brimming with dangers while battling fierce bosses in maps connected by areas including cities and dungeons.

Playable Characters with Unique Stories 20 interesting characters await you in Tarnished Heroes, each with their own personality. All of the Elden Lords have their own story of love and fate. Play as the hero they want to be with, passing down the noble legends and stories of the Elden Rings.

An Adventure with an Overwhelming Amount of Content Tarnished Heroes presents an unprecedented amount of content, including an over 100+ hour-long story, multiple difficulty levels, and ever-growing items and systems. With more than 170,000 words of dialogue and over 10 hours of music, this is a huge title.

Challenge and Rival Meets- Elden Lords who have the party clear more difficult chapters have the possibility to get an item with a rare wing design, which is only available after this feat. Additionally, challenging and high-ranked players above stage 99,3 can gain items with a trophy—a design changed through consecutive battles. This feature does not influence the rankings of the players' names.

Easy and Fun to Play- A visual novel that allows everyone to approach the game with a friendly tone.

A Living Fantasy World- An online RPG with a beautiful world, where the dungeons you discover can change at any time based on real-time events! The personalities of the NPCs in the world change each time you come across them. Life in the world fully reacts to the events that happen in the game.

Tarnished Heroes is a simulation RPG with strong role-playing

elements. Players can create their own characters and experience a brilliant fantasy world. They can interact with other players, and participate in a vibrant online community.
