Elden Ring Features Key:

Explore a vast world with vast dungeons Explore a vast world with vast dungeons (and even with a "loot" function that gives you items you find in the field.) In addition, and in a flash, you can discover entirely new worlds thanks to the unit of the Elden Ring and an explosion effect when you approach them. And naturally, the broad landscape and huge dungeons are connected smoothly.
Customized weapons and armor, as well as a myriad of skills For your gear, weapons and armor have been improved in terms of feeling and appearance as well as in terms of their characteristics so that you can immerse yourself even more in the fantasy world. As for skills, a multitude of possible skills have been gathered, and the fundamental diversity in terms of their effects has been strengthened. It is all reflected in the appearance of your character.
A multitude of skills In addition to the fundamental skills, a vast array of skills has been added. This includes skills that can draw out the world map and teleport. As well as other skills related to combat and passive skills to increase your range of movement and improve your stamina.
A vast variety of equipment In addition to traditional weapons, a variety of equipment such as flails and shields made out of materials such as gold have also been added. You can combat in a three-dimensional world with various kinds of equipment. The number of possible combinations of weapons and armor is also vast.
Action games with a Story Arc A theme has also been formulated to go with the story and the world, creating a realistic and yet thrilling play experience. Then you can play the game going through the worlds, dungeons, and the field to meet the foes you encounter from beginning to end.
An asynchronous online mode Not only can you battle with other players, but you can also combine with them to travel together. This online mode will allow you to follow your favorite character in the Dungeon Raid. Thanks to this mode, you can enter the world of an onscreen companion character through a side menu screen and fight with another character simultaneously.
An epic story where the truth is hazy The drama where your own story continues with the characters you know has been strengthened. Feel the warmth of your own unique offline story as you attempt to "improvise your own path" within
