The CREATE TABLE statement works fine, but when I try to INSERT INTO this table it always comes up with this error: ORA-01790: the database cluster does not exist The field being put in has a default and auto-populate. A: You need to grant privileges to user who is connecting to the database, i.e.: GRANT ALL PRIVILEGES ON SCHEMA SCHEMA_NAME TO USER_NAME OR GRANT SELECT, INSERT, UPDATE, DELETE, CREATE, ALTER, DROP ON SCHEMA SCHEMA_NAME TO USER_NAME A: If you are using mysqldb, you don't need to grant privilege. That's the drawback of mysqldb. The ultrastructure of Culex pipiens quinquefasciatus salivary glands. The ultrastructure of the salivary glands of Culex pipiens quinquefasciatus is described. The glands are composed of a stem and three pairs of acini, each of which contains five cells. Each cell is surrounded by an intermediate cell membrane and has an apical cytoplasm covered with microvilli, a basal cytoplasm, and four acinar lumen. The basement membrane is randomly organized, with electron-dense material around the acinar lumen, and is consistently continuous between the acinar lumen and the
