Please visit this website for any kind of download Comparison of the acute toxicity of the (+) and (-) stereoisomers of 1-bromo-2, 4-dinitrobenzene. The acute toxicity of (+)- and (-)-1-bromo-2, 4-dinitrobenzene were compared in Swiss Webster mice. The LD50 for (+)-1-bromo-2, 4-dinitrobenzene was 0.46 g/kg while that of (-)-1-bromo-2, 4-dinitrobenzene was 1.45 g/kg. Significant differences in the toxicological profile of these two compounds are related to differences in reactivity of the respective enantiomers toward glutathione (GSH). The importance of this reactive species in the toxic effect of aryl halides is discussed. Halos Halos (re-released as Absolute Halos) is a 1989 action-adventure game developed by Shiny Entertainment for the Master System. Gameplay The player controls a sledgehammer-wielding fighter called Halos. He is the main character in the story which is set in the future. Players traverse various environments on foot, bikes and trucks and engage in combat with other opponents. Reception Halos was the highest selling commercial game on the Master System in 1989. It was awarded "Best Game of the Year" in 1989 by Sega Fun

It lies on the eastern coast of Indian peninsula on the Bay of Bengal. It is a part of the Chennai Metropolitan Area. Konar is the only town in the state which is connected to the mainland through a narrow waterway. Recently many other places in and around Chennai have become part of the metropolitan region, and Konar has lost this status. Konar is located on the eastern side of Sri Lanka from its capital Colombo. The most important port of entry to India in the south eastern coast is KONAR and Rameswaram. In the year 1773, the Marathas had conquered Konar and many of the Pandyan states that held its back. The Marathas and the British signed the Treaty of Mangalore in 1782 that separated both sides. Marathas seized Madras and took over as its capital. Konar was incorporated into the Madras Presidency in the mid-19th century. Konar has been affected due to the long coastline with the Bay of Bengal. There have been many islands in this bay over the years. Konar town has a number of fishing ports, including the Port of India, a major port in the eastern coastal area, and can also be used for entry into the state of Tamil Nadu. The Krihattathi river enters here at the mangrove forest and runs along the beach of the Bay of Bengal, with the mouth of the river forming the Å. It is said that the early history of Konar can be traced back to the time when the Pandian Kings ruled the region. However, R.V. Venkatakrisshnan from the Madras University believes that it is more likely that Konar was a site of trade between India and Sri Lanka. In the Sri Lankan Sinhalese language, it is called 'Konara-rai' meaning The Place of Cutting Loose. It is also known as 'Vellore' to the natives. In India, it is referred to as 'Kulidevi, Konda Rani'. Ancient History it is believed that the city of
