Meet And Fuck Games Teen Titans First Time Christmas Party Save The world of the child by yourself in this world with funny characters. This game is made in a juvenile way, so it will be created by an ambitious person who wants to share with the community some of his cool games. You must plan your way as carefully as possible in order to win in this game. Every action, every thought, and every decision you make has consequences. Realize that the survival and success of your planet depends on your actions. First Level: Welcome to a planet with a massive population (that is why you are here). Your job is to design a spaceship that can carry enough food to be able to supply the population for a long time. Every building, every road, every tree, every hill. The plains will be covered of people in your rush. More women means higher fertility, so you need to focus on the young and beautiful women. Apart from that, you should make certain that these women have a pleasant attitude. Second Level: With the population on the rise, you must now put everything at its maximum and create the biggest and best spaceship ever. You have to design this giant spaceship in a way that it will be able to transport food and supplies efficiently. You should put into consideration how you will transport food to the edge of the planet in order to give the people supplies in time. You should also make sure that you take into account the weight of your spaceship. Third Level: The aliens are invading, and you have to take action. All the aliens on Earth live in castles. You have to find a way to stop the alien invasion and destroy all the castles. The aliens are dangerous, so you have to make sure that you take every precaution. Be careful where you step. Your ship is now carrying weapons to destroy the castles. Never stop improving
