Translated by: Pantofa I'm taking this gift in two days. Thank you and goodbye. I invite you all, dear readers, to join in the fight against racism. If you want to know more about the dangers of Islam and, in the end, why are so many Western politicians with the City of London and the royal family of Great Britain-UK, working for the Islamization of Europe, please read this book. There's no doubt that Prince Charles is an agent of the media and the devil and was so marked in the "Necronomicon" extract that many people were shocked. English chronicles in the 1580s had stories of people being possessed, even killed by an evil spirit. In the end, it was better to contact the devil with the help of the devil. In this book, the son of William Shakespeare is given to devil. I don't know if I will have more time to continue my little hobby, so I'll have to do it quickly. I don't think I will have more time to add more pages to this site, so I'll have to do it very quickly. If you want to download the free book, you can follow the link: DOWNLOAD. It is very important to monitor my activities and the activities of my friends and family. In the last days, the content will be consolidated into two free books, a double record, at the latest, at the end of this year. I want to make sure that these books will be available to people who are in no position to buy a book, just as an alternative to the question of content, and the idea is to create a community of vampires who will help each other. In fact, if you have the free book that you want to copy, you just need to fill in and follow the instructions for the email. If you see no instructions or a window for an application in the book, put your content in and email me as the instructions. I don't know if I will be able to continue with the work, but as someone who has now received to fight with the devil, I still have a lot to do for you, my readers, friends and family, and I want to do it and I want to do it.
